## PASSIONS

</> Coding          🧍 Running and Training

## SUMMARY

Even though I am still a rookie, I am a fast learner and I try my best to fit in a team. I would do everything in my power to accomplish the goals of the company.

## ACHIEVEMENTS

✈ **Traveling**
That I got to travel to USA several times, work there and learned how to live on my own and that it is good to make friends and contacts everywhere.

</> **SoftUni**
I am proud of myself that i managed to start SoftUni while still studying in the University. Ever since it has been hard to manage but it is worth it.

## LANGUAGES

**English**
